PLEASE NOTE

This is a list of agencies in Jefferson County currently offering COVID-19 vaccine as of July 8, 2021. The list may change due to vaccine availability or other unforeseen reasons; therefore, please make contact with the location of your choice to ensure their status of operation. Also, it may be necessary to contact or view the website of the respective site to check for required documents, change of hours, or postponements of clinics due to issues such as inclement weather. The Alabama Department of Public Health (ADPH) and the federal government are continuously adding new vaccination sites, so this list may not be complete.
